PROFESSIONAL EXPERIENCE:

CE ODOR REMOVALSM (CALAMUS ENTERPRISES LLC), Washington, DC (11/2015 to Present)
Odor removal company designing ozone generators and specializing in residential ozone treatments
www.odorremovaldc.us / www.calamus-enterprises.com

Regional Manager for DC Metropolitan Area

- Looking after leads from DC, MD, VA websites: following up with ozone treatment clients; explaining corona discharge ozone generation system and ozone treatment process to clients in-depth; closing sales and building relationships with real estate professionals; creating more impactful marketing materials for CE businesses; maintaining ozone generators; meeting with clients.

LUHKRA, LLC, Estonia / Los Angeles, CA / Washington, DC (8/2005 to Present)
Translating, proofreading, and editing services for businesses in the United States, Europe, and Asia
www.luhtaru.com

Technical and Medical Translator

- Specialize in technical and medical translations, providing a full suite of localization services for B2B clients. Manage translation, proofreading, and editing projects for companies from across the world, including GE Medical, Philips Medical, Siemens Medical, Zimmer Medical, ABB, Endress+Hauser, Huawei, and Apple, among others.

MILESTONE TECHNOLOGIES, INC., Los Angeles, CA (3/2015 to 6/2015)
Leading IT service provider offering strategic solutions to large corporations in eighteen countries
www.milestonepowered.com

Kaiser Permanente Deployment Team Lead

- Contract work for a large IT infrastructure company in California. Managed a team of eight technicians in the Kaiser Monitor Deployment Project, tasked with the installation of over 10,000 new monitors in various Kaiser Permanente buildings. The end client was extremely pleased with how the LA deployment project was handled resulting in more business for Milestone Technologies.

OVERALL EESTI LTD., Tallinn, Estonia (8/2005 to 9/2010)
Service company focused on providing businesses with output, archiving, and imaging solutions
<http://www.overall.ee> / <http://www.overallmedical.ee>

Marketing Content Manager (1/2008 to 9/2010)

- As part of a multi-discipline team, created written and visual content for website updates, written publications, and social media platforms. Participated in interest groups and organized events to educate current and potential customers.

Business-to-Business Key Account Manager (3/2006 to 9/2010)

- Demonstrated ability to grasp all technical aspects of current products and newly emerging products, making for prodigious product presentation that communicated the confidence necessary for closing deals. Worked closely with corporate clients requiring custom integrated systems.

Web Content Manager (8/2005 to 3/2006)

- Wrote product descriptions and managed website content for www.overall.ee. After revamping the www.overall.ee website, increased traffic 300% in six months. By the end of 2007 our online shop was the highest grossing “salesman” in the company.
